

Continental™

700L

The latest edition to the Continental™ family, the 700 litre waste container is ideal for your medium to large collection needs where space is limited, which is suitable for towing.

Part of

Egbert Taylor

Continental™ 700L

With the same footprint as our 660 container, the addition of a sump base creates extra storage capacity whilst offering exceptional towing stability due to its specialised design.

The 700 waste container as with all the Continental™ range is fully EN840 certified ensuring superb quality and safety. The 700 is ideal for narrow access and towing.

Features

Featured as standard on all Continental™ 700's:
