

Compliance with the UK WEEE Regulations

Egbert Taylor is classed as a producer with respect to EEE for 'users other than private households' under The Waste Electrical and Electronic Equipment Regulations 2013.

Regulation 12 (1) places an obligation on Egbert Taylor to finance the costs of treatment, recovery and environmentally sound disposal of waste electronic equipment (WEEE) from our customers where that WEEE:

(I) Is composed of equipment sold to our customers before 13th August 2005 and is being replaced by products from Egbert Taylor of the same type or that performs the same function. (II) Is composed of Egbert Taylor equipment purchased by our customers after 13th. August 2005. However, Regulation 12 (2) allows these responsibilities to be passed on to end users through contractual terms and this option has been taken by Egbert Taylor (please refer to Clause XX of our Standard Terms and Conditions).

Bound by heritage. Driven by innovation.
